 Lanús, Province of Buenos Aires. Argentina.

SKILLS

- HTML5 - CSS - Bootstrap - SCSS
- Javascript - ReactJs - NextJs
- Node - Express - MongoDB
- GIT - GITHUB - Docker

LANGUAGES

- English - Intermediate
- Italian - Intermediate

OBJECTIVES

I am looking for an ideally remote position that suits my development skills.

I have a wide range of tools and conceptual foundations with which to create optimal workspaces. In addition, I possess self-taught skills that allow me to adapt to new environments and requirements.

PROJECTS
